way too many pins, hijab is suffocating

keeps slipping, just want a one piece khimar

MAJORITY PROBLEMS IN ORDER:

1. Hair problems
2. Summertime fabric is too heavy/hot, not breathable, sweaty
3. Hijab style, cant find good hijab style for my face shape, dont know good healthy hairstyles for under hijab, hijab keeps slipping, way too many pins

POLL 3

If you wear a hijab or niqab, what are the most common beauty- or hair-related challenges you face? (Select all that apply)
